

MELKSHAM COMMUNITY AREA PARTNERSHIP

Make your views known – Have your say!

Melksham Community Area Partnership is encouraging local residents and local employers/employees to participate in a survey about Melksham and the **surrounding area's future** so it can submit a co-ordinated response to Wiltshire Council's proposed Core Strategy for meeting Wiltshire's needs over a 20 year period.

If you would like to see the presentation from Wiltshire Council please click **here** but please ignore the reference to the consultation being closed as the Council have agreed to an extension to enable us to submit our response.

The Survey only takes 5 to 10 minutes to complete the survey, please click **here!** .

We need as many responses as possible so please forward this email to any of your contacts that reside or work within the area. The survey is live until 30th January 2010.

Thank you for taking part.

Tim Jalland
